

Report from the Education Resource Committee –

Synod 2011 tasked the ERC with winding up the stock and accounts of this committee and transferring the remaining funds to the synodical treasury (Acts 22&101).

Audited account details were furnished to and received by Synod 2011.

\$37,493.00 was transferred to the Reformed Churches Synodical bank account on 27 May 2013.

In October 2013, the remainder of \$823.02 and some petty cash was transferred to Br. and Sr. Wim and Joanne VanNoordt who have taken over the distribution of *The Today* Booklets.

The bank account for the Lampstand (Or ERC) has now been closed.

As much as possible of the old stock was made available to the churches and the leftovers were dumped.

Some books and catechism material remains in a cupboard at Bishopdale Reformed Church.

We have advertised and sent letters out but have not managed to move any of that stock. Grab yours today!!

Recommendation

That we extend our thanks to Sr. Colleen Berends for many years of faithful and efficient service in this committee of our churches.

Respectfully submitted by Rev. Andre Holtslag.
